Attending: Luloff, Wyman, Leachman, and Hathaway

Treasurer's Report - Hathaway

Issue of a monetary award for research was brought up again. Wyman expressed reservations about giving out money; said he would rather have a recognition award given. Leachman concurs.

Events - Wyman

Summary of the Fall Regional. The wisdom of holding the Regional in light of the bad weather was questioned. The Board recommended that a policy regarding bad weather be developed.

Hot Stove meeting set for Jan. 18th. Wyman and Alan Holst to include a Hall of Fame questionnaire for attending members; perhaps also a prediction of the Twins '92 finish.

Publicity - Leachman

Leachman reported that she had sent information regarding the November Regional to Morris Eckhouse for the Nat'l Bulletin on Aug. 29th, but it did not show up until November's issue. She recommended that we give the Nat'l even more time for publication. She also sent announcements to 27 media contacts, but only the St. Paul Pioneer press appears to have printed anything.

TV Shows - Luloff

Luloff reported Eckhouse's request for tape recordings of our TV show for the SABR lending library. Issue tabled until February mtg.

New Business

Some discussion of having an HHC-sponsored event - such as a Twins game - emphasizing the children of chapter members.
