

Halsey Hall Chapter of SABR

Board Minutes

November 1, 1998 at the residence of Kevin Hennessy

Present: Stew Thornley, Rich Arpi, Brent Peterson, Lee Temanson, Kevin Hennessy.
Absent: Mark Johnson, Fred Buckland.

After a dinner of grilled meats, pretzels and leftover Halloween candy, the meeting was called to order about 7 PM.

Minutes: the minutes were distributed in printed form. One change/clarification was noted: the Twins' Trivial Book is at the Halsey Hall web site but was not to be plugged in the Newsletter as the author is not a member. Also, the author of that book was said to be John Gregory which was incorrect.

Treasurer's Report: Kevin Hennessy reported that as of the end of October, 1998 the treasury balance was approximately \$998.

On Deck Circle: Howard is to be calling people for upcoming shows. The topic of topics for 1999 was raised, and any interest there would be appreciated. The show is still taped at St. Anthony Main at 10 AM on the 4th Saturday of the month unless an exception is made due to conflict with holidays.

Saturday Mini-regionals: the next date is set for December 5th at the Grandview Grille in St. Paul. Kevin will be contacting George Rekela so that this gets into the November edition of *Holy Cow*.

New Business:

Twins' Fest: This is scheduled for Saturday and Sunday, February 6th and 7th. Since the booth is free it was decided to pursue one again. Fred Buckland will be asked to arrange for this as he did the arrangement last year.

Winter Hot Stove Meeting: This is tentatively set for Saturday, January 30th. Dr. Hawkins will be contacted again to see about the availability of his home on South St. Albans in St. Paul where the meeting was held last year (this was soon confirmed after the meeting, both the location and the time). Kevin will also be contacting George about getting this event into the upcoming newsletter.

Spring Regional: The Twins play Texas during the traditional time of the Spring Regional, April 24, so this date was tentatively set for this annual event.
