

Halsey Hall Chapter of SABR

Board Minutes

May 2, 1999 at the home of Kevin Hennessy, St. Paul, Minnesota.

Present: **Stew Thornley, Rich Arpi, Kevin Hennessy, Joe O'Connell and Jim Wyman.**

The meeting was called to order about 5:45.

Minutes: the minutes were distributed in printed form. The correction was noted that **Ted Hathaway's** name is spelled with an "a" in the middle and not an "o"; otherwise the minutes were accepted as written.

On Deck Circle: the next taping will be May 22nd.

Mini-Regional: the next one will be Saturday June 5th back at the Richfield Old Country Buffet (66th and Nicollet). Immediately afterward at 9:30 there will be a tour of Lakewood Cemetary (West 36th Street and Hennepin Avenue) to see graves of Spencer Harris, Mike Kelley, and Smith B. Hall (Halsey's father).

Holy Cow Newsletter: it was discussed that there should be a renewal notice reading "renewal **dues**" attached to the backside of the newsletter as a reminder once applications for the new year in July are made available to the membership. This way we might catch those who have forgotten to keep up on dues.

An application for renewal should be included in the June newsletter.

Quicksteps: season begins May 16th vs. the St. Croix's at Murphy's Landing. A 1:00 p.m. warmup will be followed by a 2:00 game.

Web Site: **Cary Smith** has taken over the web site for the local chapter. Word should be out soon on when the new URL will be operative and linked with the national site.

Membership Director: **Stew Thornley** has volunteered to do this job, which would include compiling the directory and running campaigns as they have traditionally be carried out in Presidential election years.

1999-2000 Board: since a majority of the new board was not present at this meeting, elections have been postponed until the July board meeting. The board for the coming year is composed of returning members **Mark Johnson, Brent Peterson and Kevin Hennessy** together with the newly elected members **Joe O'Connell, Jim Wyman, Bob Tholkes and Cary Smith.**

Next Meeting: July 11, 1999, location to be announced.
