

Research Committee Report
November 4, 2017
Fall Halsey Hall Chapter Meeting

- 1) Activities Since Spring 2017 Chapter Meeting
 - a. The Committee held four regular meetings and one special meeting where Dan Levitt presented new information he had uncovered using umpire diaries that had never before been available from the Baseball Hall of Fame Museum.
 - b. Several members attended the National Convention and for the third year one of the regular meetings was dedicated to recapping the meeting.
 - c. The research page of the Halsey Hall web site was updated with new information and current links.

- 2) Current and On-going Activity
 - a. Spread of Baseball in Minnesota Project led by Rich Arpi. There are counties available for research.
 - b. Creating a poster session on those Hall of Famers who played baseball in Minnesota. This will be on display at the 2018 Twins Fest, January 19, 20 and 21.

- 3) Future Special Event
 - a. Continued willingness to Support the National Negro League Conference if they come to Minnesota.
 - b. Special panel presentation on how to use the Research Committees web page and beyond. Save this tentative date: Monday, February 12, 2018. Location of library room is yet to be determined.
 - c. It has been suggested that we organize a tour of the Minneapolis Library. We request the members indicate their interest in this project.

- 4) The Research Committee has scheduled the following meetings.
 - a. November 20, 2017 at Southdale Library.
 - b. December 18, 2017 at Southdale Library.
