

Research Committee 6 Month Report.
November 7, 2020
Fall Halsey Hall Chapter Meeting

The Co-Chairs of the Research Committee as assigned by Vice President Hans Van Slooten are Stew Thornley and Brenda Himrich. Other members are Dan Levitt, Jim Cox, Doug Skipper, Sarah Johnson, Rich Arpi, Dave Lande, Anders Koskinen, Gene Gomes, Bob Tholkes and Daniel Dorff. All are welcome at the meetings. Feel free to contact any member with questions about your research projects.

- 1) Activities Since Spring Chapter Meeting
 - a. The committee held 4 regular meetings. July and August were at the outdoor venue of the Dock and Paddle in St. Paul. September and October were held via ZOOM, which worked very well.
- 2) Current and On-going Activity
 - a. Spread of Baseball in Minnesota Project led by Rich Arpi. This will continue to be an ongoing area of research. There are still counties available for research.
 - b. Stew Thornley continues to work with authors writing articles about memorable games at Met Stadium for an upcoming SABR book.
 - c. The [Research Committee page](#) has been updated and includes a list of research projects by members.
 - d. The Research Committee is prepared for a History of Baseball display at the Brookdale Library. It will include a copy of the Beyond the Twins banner, bats and balls from the 19th Century, and books written by members.
- 3) Future Projects or Events
 - a. The 2021 Spring Chapter Meeting (TBD)
 - b. The Committee is open to suggestions.
- 4) The Research Committee has a scheduled meeting on December 14. If you want to be a part of the meeting or have research questions, contact Stew Thornley stew@stewthornley.net
