

Halsey Hall Research Committee Zoom Meeting Sept. 20, 2021 and August 23 Minutes

Attendees: Stew, Ed, Dave Lande, Bob Tholkes, Gene, Brenda, Doug

August 23, 2021 Minutes

Attendees: Stew, Ed Wehling, Dave Lande, Brenda, Dan Levitt, Gene, Doug, Mike Haupert

1. Reviewed and approved July 12 minutes
 2. Fall Chapter Meeting presenters planned:
Carl Rogan – topic is Bullet Rogan
Anthony Bush – topic is Llewellen Legg
Sam Sundemeyer – topic is Bud Fowler in Stillwater
--all three would be first-time presenters.
Stew mentioned Tom Swift, who attended the recent Book Club, as a possible presenter, he will contact him about joining the Chapter.
Gene proposed a Committee project entailing a “primer” for beginning researchers. Everyone gave ideas, and it was decided that Dave and Gene would plan on co-presenting a “Game Project Tutorial” at the Nov. 13 meeting. Mike suggested recording the tutorial, for future use by members. This was approved by all present, giving us four presentations for the Nov. 13 Fall meeting.
 3. Continued discussion about research sources available to members, and encouraging members to do research projects. Stew mentioned signing up for SABR-L. We also decided that for future presentations we would require only the topic and brief summary, and not research sources, which could deter presenters from coming forth.
 4. Research Roundtable: Mike is writing a Cubs Franchise biography, primarily about the business side. He started it two years ago. He has financial records of the White Stockings/Cubs beginning in 1871.
Ed is gathering research on his Bio of Tony Brottem, who grew up in MN.
Doug is going to do a Bio of former player Jeff Huson, the current color analyst for Colorado Rockies. He is a U of Wyoming grad, as is Doug.
Brenda will do a Winona County research on the earliest games there.
Gene’s Game Project on a Ron Guidry 1985 game was recently posted on SABR.org.
 5. Our next committee meetings will be via Zoom, on Sept. 20 and Oct. 18.
Meeting ended at 8:22
